

# PTT TRIM APPLICATOR

The Applicator makes putting trims on corners a breeze and comes in 4 handy sizes 800mm (TA.08), 1400mm (TA.14), 2000mm (TA.20) & 2300mm (TA.23)

PTT - Trim Applicator

PTT - Trim Applicator lugs that push the render through the trim leg cut outs

Lay the PTT Trim in the PTT Trim Applicator and cover with patch render

Place PTT Trim on the external corner using the PTT Trim Applicator moving the Applicator up and down to create a suction effect

Make sure the PTT Trim is straight and true using the built in level and straightedge on the PTT Trim Applicator

PTT - Render Trims bedded onto wall

**PLASTER TRIMS & TAPE**
